

CSI ROOKIE TRAINING SCHOOL AGES 7-10

THINK FORENSIC'S CRIME SCENE EXPERTS ARE LOOKING FOR NEW RECRUITS...

....So if you think your group are up for it and think they've got what it takes to become a good detective why not either visit our Crime Scene Centre on Lodge Street HD8 9DR or have us along to your meeting.

Using the same techniques as the experts they will learn:

- About jobs within crime investigation
- PPE and safety
- Gathering & protecting evidence at a crime scene
- Developing footprints on paper using magnetic powder
- Casting tyre tracks
- Lifting their own fingerprints using aluminium powder
- Identifying fingerprints minutiae
- Using digital microscope to analyse hair and fibres

Workshops are designed by crime investigation experts and equipment used is authentic. Sessions are suitable for ages 7 to 10 years. All our staff are DBS checked and are fully trained.

All children will be able to take away copies of their fingerprints and their own tyre track cast made during the session.

Our workshops have a reputation for not only being highly informative but also great fun. We are able to run the workshop to your usual times. Workshops last 90 minutes and cost from £7.50 per child minimum spend £90. If you prefer, we can run a similar workshop at your own venue.

Our workshops have elements that are part of the Cub and Brownie programmes:

- Communicator Activity Badge
- Fire Safety Badge
- Road Safety Badge
- Home Safety
- Science Investigator
