

## CSI TRAINING UNPLUGGED AGES 10+

**THINK FORENSIC'S CRIME SCENE EXPERTS ARE LOOKING FOR NEW RECRUITS...**

....So if you think your unit are up for it and think they've got what it takes to become a good detective why not either visit our Crime Scene Centre on Lodge Street HD8 9DR or have us along to your meeting.

Using the same techniques as the experts, participants will work in teams of investigators to:

- Explore the roles and careers in police and forensic activities
- Protect and gather evidence including contamination and PPE
- Liaise via radio communication
- Use real life techniques used in the field including:
  - Fingerprinting
  - Footwear & tyre marks
  - Hair and fibre evidence

Workshops are suitable for ages 10+ with content adjusted appropriately. All our staff are DBS checked and are experts in the field.

All participants will be able to take away copies of their own fingerprints and their crime scene suit.

Our workshops have a reputation for being highly informative and also great fun. We can run the meeting either during the holidays, evenings or weekends. Workshops last two hours and cost from £12.50 per head, minimum spend £150.

**Our workshops can help to build confidence, aid personal development and emphasise teamwork.**
